

July 2003

July Meeting

The July meeting will be held at the Dept. of Game & Inland Fisheries Building, 4010 West Broad Street at 7:00 pm, Tuesday, July 22nd. The entrance and parking are at the rear of the building.

July Program Topic – Light Tackle Striper Techniques

Captain Laurance Ritter of Inlet Charters will be our speaker for the July meeting. Captain Ritter specializes in catching stripers at the CBBT and will share some of his secrets with us. Learn how to select the best times and places to fish based on tidal flows, prevailing winds, moon phases and more.

As an added bonus Cory Routh will join Captain Ritter for the presentation and update us on news from the VMRC. In addition to working for the VMRC and being friends with Captain Ritter, Cory is also an accomplished saltwater fly fisherman and should add to this informative program.

All members are invited to join us and our speaker for dinner around 5:45 prior to the meeting at Byram's Lobster House located at 3215 W. Broad St.

Backlash

(Commentary from the President - John Wetlaufer)

New members are an important part of the Virginia Anglers Club. New members help make it possible to keep the number of activities we are able to offer and to maintain our commitment to improvement of the angling environment at the level at which we can be proud. So far this year, the Virginia Anglers Club has not demonstrated our potential to attract the number of new members that we have attracted in years past. The VAC offers an active program of angling tournaments of every description, interesting and

educational membership meeting programs and just plain good fellowship and fun. This year we have welcomed only three new members, far below the normal number of new members that join the VAC.

Most new members come as friends or acquaintances of existing members of the VAC. I believe it is the responsibility of each active club member to seek out and invite potential new members to a meeting to look us over. Certainly not everyone with whom you fish or have as a dock mate is a member of the VAC. Please look around your circle of angling buddies and invite some to a Membership Meeting. I am sure they will like what they see and will enjoy becoming full time members of the Club.

Special Activities Chairman Rich McDonald will have the new 2003/2004 Department of Game and Inland Fisheries out door calendar available at the July Membership Meeting. Start lining up folks to purchase them from the Club. This year the cost to the club of these calendars has gone up and we are reflecting this increase in the cost at which the Club will sell the calendars. We will offer them at \$8.00, a savings of \$2.00 over the normal "retail" price for direct purchase of the calendars. These calendars are great sources of angling and hunting information and make appreciated gifts to relatives, to friends and to folks who have helped your businesses prosper. Take all you can; they are one of the major fund raising activities of the VAC.

Rich is also looking for new ideas for club raffles and wants to hear from you. If you have an item or a service you want to donate to be raffled or have a suggestion of such an offering, please let him know. Our club enjoys wonderful support each month from Green Top and Fly Fish the World in the form of their gift certificates, which we raffle. We need ideas and items to expand our raffle offerings.

Regards and tight lines,

John

CATCHY COMMENTS

by Dennis Cline

Our June Angler of the Month award went to **Danny Noland** for his club record black sea bass caught on 2-plug. Danny's bass weighed 4-4 and scored 377 points. **Dennis Cline** was second with a 45-0 red drum in the surf, scoring 321 points. **Lynn Spurlin** brought home third with a 42-0 red drum in the surf that scored 300 points. Congratulations guys!

Scott Davis with a nice 42" Red Drum caught at CBBT 9ft. Shoal Area

Very few entries to report since I'm doing this two weeks ahead of schedule so I can head for the Midwest. **Buddy Noland** set a club record with a 2-4 croaker on 6-plug that was caught at the "cell". **Dr. Jim Wright** caught one of the first cobia of the year at the 12-mile post on the CBBT. The cobia went 61-0 on the scales and was caught on 30 general. **Rich McDaniel** entered a pair of red drum caught on the 9-foot shoals (CBBT). His first was a 45-0 on 30 general and the second was a 33-0 on 12 general.

Please recycle.
