VAC Annual Banquet will be held at:
The Place at Innsbrook
4036-C Cox Road, Glen Allen, VA 23060

NEXT MEMBERSHIP MEETING **FEBRUARY 25, 2020** **LOCATION TBD**

Virginia Anglers Club Member

Ray Nickols, Passes

A forty four-year member of the Virginia Anglers Club, Ray Nickols, pulled lines for the last time on Tuesday, October 22, 2019 at his home in Rodanthe, NC. Ray fished more Cape Hatteras Anglers Club Invitational Surf Tournaments as a member of the VAC Surf Team than any other Club member; possibly even in every year during which he was a club member. Respecting Ray's wishes, there was no service.

Out of the current one hundred and two members of the Virginia Anglers Club, he had the ninth oldest membership. Ray was a saltwater angler with the surf being his favorite "fishing hole". Ray was a quiet but serious angler. His submissions were all saltwater species.

When Ray retired, he moved down to Rodanthe, NC. Ray would come up to Richmond every year to have his scales certified at the February Membership Meeting, usually in the company of VAC Member and best friend, Everett Spence.

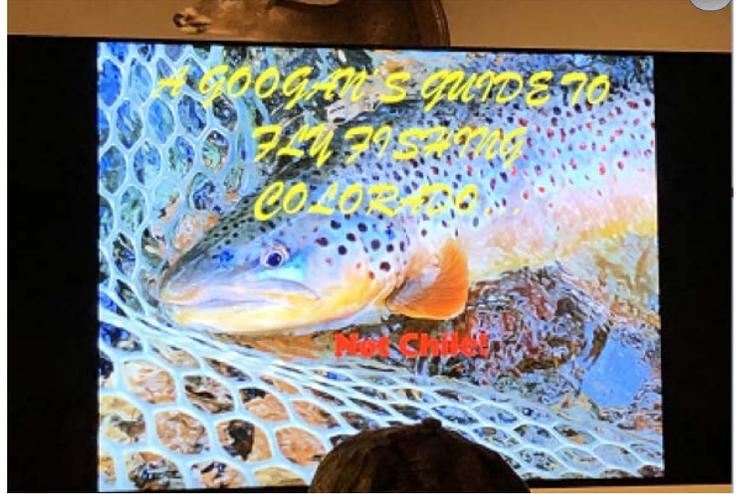

The VAC Surf Team fished again this year in the CHAC Invitational Surf Tournament on November 7th and 8th. Members of the VAC Surf Team dedicated their participation in the Tournament this year to Ray's memory.

****SWAP TABLE****

Bring your fishing gear that you want to sell to the next membership meeting. Put a price tag on the item and let the deals begin, if the item is too large a picture will do.

OCTOBER PROGRAM REPORT

Andy Bagwell

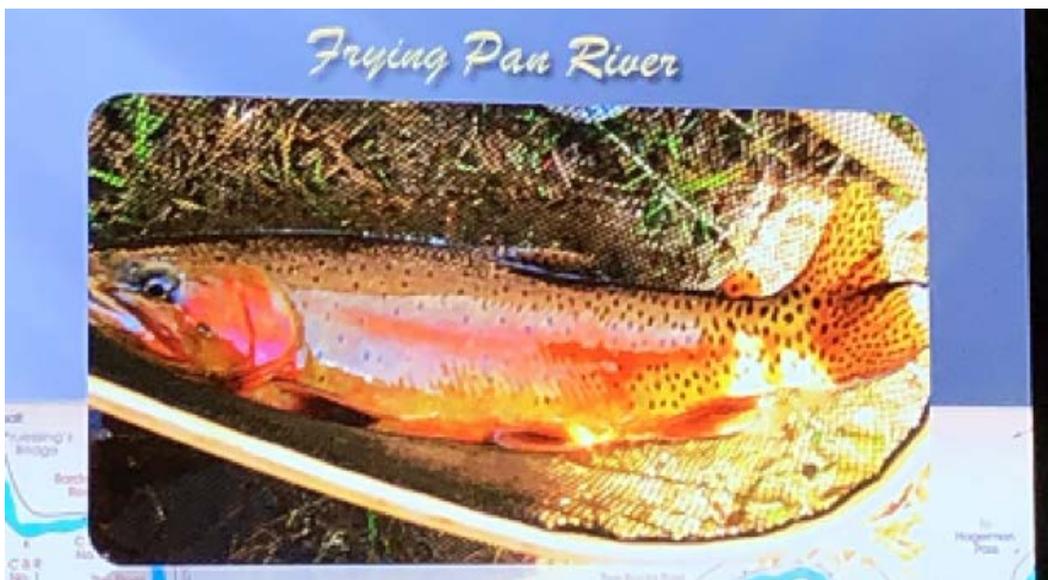

Andy's presentation "A Googans Guide to Fly Fishing Colorado" explained his adventures and specifics of fishing in the beautiful state of Colorado. His first visit was in 2008 fishing the Frying Pan River for Cut bows and Brown Trout. He recommended calling a local fly shop before you arrive for fish information and water conditions. Also fishing with a local guide for tips on local waters.

Other recommendations:

- Fish Late Spring/Early Summer
- Primetime Late Summer/Early Fall
- Winter Primary Tail Water Fishing
- Avoid Spring Runoff (Snow Melt)
- Call about Stream Conditions

What to bring: Maps, Printed Directions, Fishing License (\$37 for 5 days), Cameras, Appropriate Clothing, Sunglasses, Waders & Boots, Backpack, and Fishing Equipment.

You can get a direct flight from Richmond to Denver, rent a car and drive 1.5 to 3 hours to great Rivers, lakes, and Reservoirs. Andy thanks for sharing your experiences with the membership!

VAC SURF TEAM REPORT - 2019 CAPE HATTERAS ANGLERS CLUB INVITATIONAL SURF TOURNAMENT

On the first day of the Cape Hatteras Anglers Club Invitational Surf Tournament, the VAC Surf Fishing Team fished in good weather. The mornings' catch of 6 sea mullet garnered 13 points and the afternoon session yielded a mix of sea mullet and blues (six fish in all) for 18 points. The Team finished in 39th position out of 120 teams in the morning session. Position scoring was not complete for the end of the afternoon session when the day's report was received from Team Member Buddy Noland. Each fishing session started with a toast to the memory of Ray Nuckols who pulled lines a little over two weeks ago.

Fishing tomorrow's two sessions will be challenging because of the forecast weather. Below is the current weather report* from the NWS for Buxton on Friday. Rain can be tolerated but check out the wind forecast! The surf will run along the beach and lots of lead will be needed to begin to hold the bottom.

The second day's report from the VAC Surf Fishing Team fishing in the 2019 Cape Hatteras Anglers Club Invitational Surf Fishing Tournament.

The VAC Surf Team had pretty decent stations on Friday, both in the morning and afternoon. However, Friday's weather made fishing at these two stations miserable at best.

During the Friday morning session, the wind blew 25 to 45 MPH. Winds this strong cause the surf to run parallel to the beach. Terminal tackle did not hold bottom and was swept down the beach. No fish were caught during the morning session.

The afternoon station had the team fishing with the wind on their backs. The problem with this station was dirty water which stretched from the beach out as far as team members could see. One blue was caught that yielded only 5 points.

The VAC Surf Team placed 36th out of the 120 teams registered for the tournament. Their total qualifying catch was 13 fish worth 36 points.

Team Members were Buddy, Danny and Ryan Noland, Jeff Doughty and Fred Cousins. Team Member Kenny Dale had to withdraw at the last moment due to illness in his family. Thanks, guys, for keeping the Virginia Anglers Club's name in this popular annual tournament.

Marcos Lusso

Marcos, born in San Palo, Brazil, as a child enjoyed both fresh (Amazon River) and saltwater fishing with family and friends. In 1990 he moved to Kentucky where he acquired an advanced degree in agriculture and began to fish farm ponds for largemouth bass. Marcos moved to Virginia in 2009 and discovered fishing opportunities on the James River. Marcos has an 18foot center console boat that he often takes to the James River in pursuit of trophy Blue Catfish. In addition to fishing in Brazil, Kentucky and Virginia, he also has taken opportunities to fish in Alaska, Florida, Colorado and Costa Rica. His club membership goals are to share and learn new fishing techniques and experiences with fellow VAC club members. Please Join me in welcoming Marcos to the Anglers Club!

Carroll Jordan

Carroll Jordan and his wife moved to the Richmond area about 12 years ago from West Jefferson, NC. Carroll mostly fishes for largemouth bass, but really enjoys all kinds of fresh and saltwater fishing. Carroll has a couple of boats (17 'ProCraft and a 17' Tracker) that he often takes to fish the Chickahominy River (above and below the dam). Please Join me in welcoming Carroll to the Anglers Club!

Terry Midkiff

Terry is a retiree from Dominion Energy, he enjoys freshwater and saltwater fishing. He enjoys kayaking and can be found floating the James for Smallmouth. His membership goals are to meet fellow fishermen in the area and learn new fishing techniques. Please Join me in welcoming Terry to the Anglers Club!

Seth Breckenridge

Seth is 24 years old and has lived (and fished) in TX, AR, TN, and VA. Prior to moving to Virginia, Seth worked at Bass Pro shop in the famous Pyramid in Memphis Tennessee. Seth enjoys all kinds of fishing and is currently working as a fishing outfitter at Cabela's. Please Join me in welcoming Seth to the Anglers Club!
