November Membership Meeting:

Tuesday, November 24th, 2009 at 7:00 PM

Skilligalee Restaurant

Glenside Ave, just North of Broad Street
Come ~ 5:30 PM and enjoy good company
over dinner from the menu

NO MEMBERSHIP MEETING IN DECEMBER OR JANUARY

The November Membership Meeting is the last meeting of the 2009 Angling Year. The next Membership Meeting is the February Membership Meeting and will be held on Tuesday, February 23, 2010. Scale certification will be offered in February. The program has yet to be determined. Watch future issues of the Angler for details of this meeting.

BACKLASH

(Commentary from the Board of Directors)

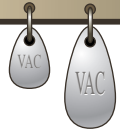

NOVEMBER PROGRAM – LIGHT TACKLE STRIPER AND 2010 ANGLING RULES CHANGES

Jim Sheffield will review his spectacular catch of a 44-2 pound striped bass on 4# Ande that was worth 735 points. Jim will be giving us the yard-by-yard account of his fighting and landing this spectacular catch. Bruce Henderson will be on hand to give colorful comments about the catch and provide voracity to Jim's talk. Stuart Lee will review Angling Rule changes recommended by the Angling Rules Committee and approved by the BOD on November 10, 2009.

Finally, don't forget to see "Chitmaster" Eddy Johnston for your chit redeemable for a **free beer** (one per member or guest present).

2009 ANGLING YEAR AWARDS BANQUET – JANUARY 23, 2010

The Awards Banquet at which the 2009 Angling Year Awards will be held Saturday, January 23, 2010 at the Skilligalee Restaurant. Please note this on your 2010 appointment calendar now. The new price will be \$35.00 each (vs. \$45.00 last year) for a buffet consisting of fried oysters, fried cat fish, fried tilapia and chicken alfredo plus all the normal accompaniments. Cocktail hour and a half starts at 5:30 PM and dinner starts at 7:00 PM. Raffle items will be introduced in the December Angler.

BACKLASH continued from Page 1.

THANKS FOR A GREAT OCTOBER MEETING PROGRAM

Many thanks for Member Bob Brown for sharing his vast knowledge of two and four-stroke outboard motor maintenance and lay up procedures at the October Membership Meeting. One interesting feature of the presentation was the demonstration of a gasohol test kit. Due to interest in this simple device, the VAC has ordered two dozen test kits which will be available for purchase at the Country Store at the November Meeting. See write-up elsewhere in this Angler for more information on this simple yet very useful device.

NOMINATING COMMITTEE TO MEET

The VAC By-Laws state that officers for the coming year shall be nominated by a nominating committee, chaired by the sitting president (Vic Skakandy) and with the two preceding presidents (John Wetlaufer, Sr. and Bob Shepherd, respectively) rounding out the three-member committee. The Board of Directors then approves the list of nominees and the membership is asked to vote using the mail-in ballot found in the coming December issue of the Angler. If you have any interest in helping manage the affairs of the club by being a member of the Leadership Team, please let Vic know. A summary of the titles of the club offices and committee chairmanships is found elsewhere in this issue. Written job descriptions are available from John Wetlaufer, Sr. (jlwsr@rcn.com). The time involved in being part of the Leadership Team is being present at the second-Tuesday Board of Directors' meeting that starts at 6:30 PM and is completed by 9:00 PM or earlier, as is most always the case. Some members of the Team gather for dinner preceding the meeting at the Skilligalee. Membership on the Leadership Team is an excellent way for new members to get involved in the work of the club and to establish lasting friendships with other VAC members.

2010 TOURNAMENT SCHEDULE SET

A draft of the proposed tournament schedule for the 2010 Angling Year was presented to the Board of Directors on November 10, 2009 by Tournament Chairman Parks Rountrey. With the 2008 and 2009 tournament participation summaries in hand, those present at the BOD meeting reviewed the draft and considered alternative tournaments not included in the draft. The resulting 2010 Angling Year Tournament schedule, approved by the BOD, is found elsewhere in this issue of the Angler.

NEW T-SHIRTS TO BE ORDERED FOR THE COUNTRY STORE

Keeper of the Country Store Eddy Johnston discussed the inventory needs of the Country Store for the coming year with the Leadership Team at the November 10th meeting. Eddy will order four (4) dozen VAC T-shirts of assorted solid colors and sizes for the Store. Each shirt will have a pocket and both short sleeve and long sleeve styles will be purchased. Watch future Anglers for announcement of availability.

NEW MEMBER'S MEMBERSHIP KIT PROGRESS

The style and color of the vinyl binders and the Club logo being silk screened on the front cover for the New Member's Membership Kits were approved and a stock of the binders will be placed on order. These two (2) inch binders will be filled with printed copies of the standard information (Angling Rules, Club Records, etc.) sent out electronically each February to the membership as electronic files. A draft has been proposed for the "VAC Bucks" which will be given to each new member joining after December 1, 2008 and which are redeemable for a one-time use at the Country Store for \$10 worth of items in stock, on order or ordered as special order items. February 2010 is the target for issuing these kits. In the mean time, new members can find the same current information on the VAC Web Site at . Look in both the public and members areas.

SELL YOUR EXCESS GEAR ON THE VAC WEB SUTE

As a reminder, "For Sale" information is now visible all anyone logging in to the website. However, entering "for sale" information will be restricted to members who have requested and received registration privileges from Webmaster Johnny Wetlaufer. A member with registration (posting) privilege can still post a "for sale" item belonging to a known friend or of interest to club members. Check out this feature. Maybe there is an item for sale that you would like to purchase.

NEW ANGLING YEAR BEGINS ON DECEMBER 1, 2009

The 2010 Angling Year begins on December 1, 2010 and will be fished according to Angling Rules in effect on that date. Please get your entry cards for the 2009 Angling Year into Buddy Noland so they can be scored and the information reflected in the 2009 awards.

MEMBERSHIP ARE DUE DECEMBER 1, 2009 – PAY BY CHECK OR CREDIT CARD

Dues for 2010 are due on December 1, 2009. As reminders, each dues paying member will receive a dues statement with a return envelope in which your check for dues can be returned. Dues are also payable on line by connecting to the VAC Web Site:

(.) and clicking on "member's area". Then just click on the bar for in-state or out-of-state dues and provide the information requested. No dues are collected from complimentary, honorary or life members. Anyone may make a donation to the club in the "member's area" also.

For the Leadership Team

John Wetlaufer, Sr., Director

CATCHY COMMENTS

by Buddy Nolan

According to **Dean Winstead**, the Elizabeth River has been pretty good for catching Spotted Seatrout.

Dean, within a couple of hours of fishing the last several days, has gotten his limit of 2 to 4 pound fish using grubs and Mirrolures®. Now the remnants of Hurricane Ida are pounding the tidewater area with high winds and flooding. The fishing won't be as good for a while.

Bruce Henderson and **Jim Sheffield** were fishing the deep water off Oregon Inlet and **Bruce** landed a "club record" Tilefish. The fish weighed 4-8 pounds and he caught it on 8# line using squid for bait. **Bruce** is now looking for a break in the weather to bring his boat to Lynnhaven for the Striper season. Limits of the Stripers are now being taken at the CBBT islands at daybreak.

Scott Johnson was visiting his son **Kevin**, in Michigan when he managed a nice Carp entry on 8# fly on the Detroit River. The fish weighed 9-14 pounds and was worth 220 points.

Fishing off Atlantic Beach, North Carolina in early October, **Parks Rountrey** landed a 3-1 pound Spanish mackerel. **Parks** was trolling a Clark spoon at the time.

The "species" leader for Rainbow Trout is now **Will Mosley**. He was fishing the South Branch of the Potomac River in West Virginia. The trout weighed 3-14 pounds and was caught on 2# fly worth 302 points. **Fred Cousins** has the club record of 9 pounds 14 ounces from John's Creek.

Rob Choi has another quality entry this month. **Rob** was fishing the James River and landed a 19-7 pound Flathead Catfish on 4# general for 263 points. A live Bluegill was used for bait.

Ricky Dale, **Dave English**, **Danny Noland** and myself fly fished several southwest Virginia trout streams near Tazewell near the end of October. Numerous Rainbows were caught by all with

Stuart Lee's 12-4 Brown Trout

Danny landing the highest point fish on 2# fly. It was a 3-10 pound Rainbow valued at 283 points. **Danny** also entered a 10 ounce Rock Bass worth 208 points which will take the "species" and "largest" leads with this entry.

Ryan Noland was again fishing with **Mike Ostrander** earlier this month and caught several quality Blue Catfish. **Ryan's** highest point fish was a 33-8 catfish on 4# general worth 357 points. His largest Blue Catfish entry weighed in at 36-0 pounds. All were caught on cut Shad.

Fred Murray and **Stuart Lee** made the trip to the Oak Orchard River in New York November 5th for the huge Brown Trout. **Stuart** says that **Fred** put on a fly fishing seminar hooking numerous fish as usual. **Stuart's** best Brown weighed 12 pounds, 4 ounces, and totaled 450 points. As large as this fish was, it still didn't surpass the current club record of 16-4 pounds caught by **Dave English** several years ago from the same river. **Stuart** was using an egg pattern on 8# fly.

Remember, only several more weeks left in the "angling year" for you to earn an award. The new "angling year" begins on December 1, 2009 and you have until December 10, 2009 to turn in your entry cards.

Good fishing,

Buddy

Rob Choi's 19-7 Flathead

VAC LEADERSHIP TEAM OFFICERS AND CHAIRMENSHIPS

The following is a list of the elected officers and appointed committee chairmen who make up the VAC Leadership Team. Let Vic Skakandy know if you would like to help where needed or in a specific capacity.

Director – Nine in number, three year overlapping terms, elected by the membership, sitting president becomes a director by default

Officers – One year terms, elected by the membership.

President – Presides at BOD and Membership Meetings

1st. Vice President – Program Committee Chairman by default (1)

2nd. Vice President – Angling Activities Chairman by default (2)

3rd. Vice President – Conservation and Legislation chairman by default (3)

Treasurer – Collects dues, pays bills, keeps financial records

Recording Secretary – Writes monthly BOD Meeting Minutes

News Letter and Web Site Secretary – Coordinates production of the Angler and is VAC Web Master

Committee Chairmen – 1 year terms, appointed by the President

Angling Rules Committee Chairman – Looks After Angling Rules and Records

Angling Rules Statistician – Calculated points

Angling Records Coordinator – Keeps club records

Angling Activities Chairman (2) – Manages tournament program

Banquet Committee Chairman – Coordinates and manages the annual banquet

Conservation and Legislation Committee Chairman (3) – Keeps membership informed of C&L issues

Country Store Keeper – Stocks and operates Country Store

Membership Committee Chairman – Coordinates new members

Orientation Committee Chairmen (two) – Give rules and club information orientation to prospective new members.

Programs Committee Chairman (1) Obtains speakers for Membership Meetings.

Publicity Committee Chairman – Passes information to the media, etc.

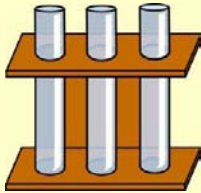

Scale Certification Weigh Master – Certifies and records scale certifications.

Special Activities Committee Chairman – Runs monthly and special raffles, manages the sale of DGIF Calendars.

Surf Team Captain – Captains and enters the surf team in the CHAC Invitational Surf tournament

EASY GASAHOL TESTING – KITS AVAILABLE IN COUNTRY STORE

Bob Brown showed the members present at the October 27th Membership Meeting a really clever device that can be used to determine % of alcohol in a sample of gasohol (gasoline with alcohol added). The testing kit can also be used as a rough indicator of the quality of the gasoline sampled.

The tester is a glass tube (looks like a high school chemistry test tube) with a screw-on top. The tube is filled with water up to a mark printed on the tube. Then gasoline with alcohol in it is added on top of the water until the gasoline reaches a second, higher mark. Screw on the top, shake the tube and let the contents settle for a few minutes.

The alcohol comes out of the gasoline and mixes with the water in the bottom of the tube, increasing its volume and raising the interface between the water/alcohol mixture and the gasoline. The new level of the interface is read against a scale of % alcohol printed on the testing tube. The reading is the % alcohol in the gasoline sample. Two dozen (24) testing kits (tubes with use instructions and scales printed on the side) have been ordered and will be available at the Country Store for \$5.00 each at the November Meeting.

More information on testing for alcohol in gasohol is available on the internet. One site which offers information about the good and the bad of gasohol is

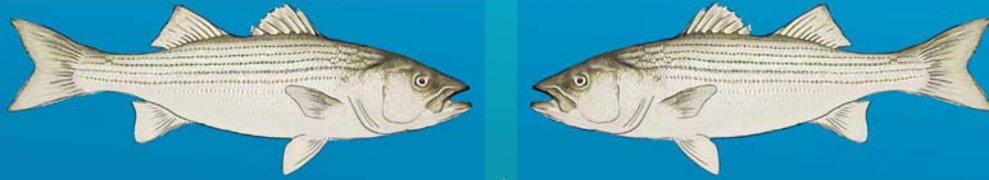

<http://www.kedronmowers.com.au/sections/fuel.html>. A Google search will turn up many other sources of information.

VAC SURF FISHING TEAM FINISHED 59TH IN THE CHAC TOURNAMENT

The Virginia Anglers Club has had a team fishing in every Cape Hatteras Angler's Club Invitational Surf Fishing Tournament since its inception. The six-man Virginia Anglers Club Surf Fishing Team fishing the tournament this year finished 59th out of 120 teams fishing in the 2009 edition of the Tournament. Fishing was skimpy to say the least. Compared to many previous years, the numbers of catches among all teams fishing were down considerably. The winning team had 114 fish (worth 218 points), 100 of which were caught at site #52 on the Thursday morning session. The VAC Team never had the luck to fish site #52, which was one of the most productive sites in the Tournament. The VAC Team had 12 fish worth 37 points for the four fishing sessions. Only three teams had over 100 fish and only 18 teams had over 100 points. Seven women's teams finished ahead of the VAC Team and six women's teams finished below the VAC Team. The VAC Team was captained by Lynn Spurlin and Gary Martell, Quentin Corbett, Billy Corbett, Matt Balazik and Steve Bisbing rounded out the six member team.

Tournament News

Virginia / North Carolina Striped Bass: December 15-31 (no blow date)

Our tourney will be at peak time for big winter Rockfish. Drifting live baits or conventional trolling are preferred methods for the heaviest fish. For light tackle points - various soft plastic baits are effective on light spinning and plug gear. Fly fishing is also productive when you can find fish near the surface. A number of club members like Cape Charles and CBBT areas this time of year, but you can fish any Virginia or North Carolina salt waters. Remember - this is our first tournament for the new angling year - so be sure to plan on fishing.

Two ways to win! We will recognize three places for heaviest weight fish and three places for highest point fish. First = 3 pts. Second = 2 pts. Third = 1 pt. These points will apply towards the annual Salt Water Tournament Angler of the Year competition. A fish can be entered by weight or points (angler must declare which category) but not both ways for 1 fish. Only 2 fish can be entered per person.

Call in or e-mail entries to Angling Activities Chairman Parks Rountrey 804-349-6001 (prountrey@comcast.net).

CALENDER MONEY STILL OUTSTANDING

Quite a bit of money for the 2010 DGIF Outdoor Calendars sold by club members has still not been returned to Special Activities Chairman Don West. Please get calendar sales money you are holding or calendars which you have no chance of selling back to Don. We want to close the books on this program by December.
