NOVEMBER'S PROGRAM – “JET SKI BRIAN”

One upping the kayak anglers is “Jet Ski Brian”, an avid angler who rides to the fishing grounds on a stock jet ski that he has rigged for fishing. Brian Lockwood will share stories and techniques he uses to customize and fish from this fairly rare fishing platform. For more information, check elsewhere in this issue of *The Angler* and check out this link to his web site; www.jetskibrian.com His modified jet skis are the Ryboviches of personal water craft.

ANGLING RULES COMMITTEE PROPOSALS OK'ED BY THE VAC BOD

Very few changes to the Angling Rules for the coming 2011 Angling Year came from the recent meeting of the Angling Rules Committee. ARC Chairman Stuart Lee presented the Committee's recommendation to lower the basic weights for Wahoo in all four tackle divisions and all line weights in those divisions. The recommended reductions were unanimously approved by the Directors present at the November Board of Directors. There have been 55 submissions of entry cards for Wahoo in the past 19 years (avg. ~ 3 cards / year) and only three entry cards for Wahoo have been submitted in the last 10 years. No vote by the membership is needed to accept any changes in the VAC Angling Rules. Review and approval is done by the Directors. The VAC extends thanks...

(Commentary from the Board of Directors)

NOVEMBER MEMBERSHIP MEETING - FINAL MEETING OF THE 2010 ANGLING YEAR

The November VAC Membership Meeting is the final Membership Meeting of the 2010 Angling year. There is no Membership Meeting in December and the Annual Awards Banquet on January 22, 2010 is the only meeting in January. Membership Meetings resume in February, 2011.

BACKLASH continued on Page 2...

BACKLASH continued from Page 1.

...to the members of the Angling Rules Committee, who are Stuart Lee (chairman), Danny and Buddy Noland, Bill DuVal, Scott Johnston, Glenn Carter and Billy Nicar.

NO CHANGES IN BY LAWS HAVE BEEN RECOMMENDED

The Leadership Team has made no proposals to change and of the VAC's By Laws. Over the last couple of years the Members of the Virginia Anglers club have approved changes consistent with the intended direction of the VAC and various "house keeping" type changes recommended to clarify the By Laws.

HAVE A FREE BEER "ON THE CLUB" AT THE NOVEMBER MEMBERSHIP MEETING

Country Storekeeper Eddy Johnston will have a "ticket", redeemable for one FREE BEER, for each VAC member and guest at the November Membership Meeting. Be sure to see Eddy on your way into the meeting to pick up your ticket. When you get the beer you order, just hand the "ticket" to Janet or whoever brings the beer to you. Sorry, no upgrades to mixed drinks, high balls, wine or other toddies are available. One Ticket – One Member – One Beer.

SPECIAL "NOVEMBER STIMULUS PACKAGE" AT THE COUNTRY STORE

Eddy Johnston has gone totally mad. He not only is giving out "tickets" for FREE BEER, but he is also taking \$1.00 OFF EVERY PURCHASE made at the country store during the November Membership Meeting. For some items, this savings amounts to 50%. This is a one time offer, never to be repeated this year.

VAC SURF TEAM FINISHES 103/120 IN THE CAPE HATTERAS AC SURF TOURNAMENT

Poor pickings and heavy weather and surf jinxed all of the 120 six-person surf fishing teams who participated in the 53rd Annual Cape Hatteras Anglers Club Invitational Surf Fishing Tournament. Team Captain Lynn Spurlin reported that the surf was 3 to 5 foot high, very rough and conditions on the beach were below miserable. More on this challenging two days of surf fishing is elsewhere in this edition of The Angler.

ANNUAL DUES ARE DUE ON DECEMBER 1, 2010

Dues for 2010 are due on December 1, 2010. Annual dues for Members residing in Virginia are \$60.00 and are \$40.00 for members residing outside of Virginia. No dues are collected from complimentary, honorary or life members. Dues may be paid by check by making the check out to "Virginia Anglers Club" and making the notation 2011 Dues on the memo line of the check. Send the dues to the VAC at the address noted in the last page of

this edition of The Angler. Dues are also payable on line via Pay Pal by connecting to the VAC Web Site. Go to (.) and click on "member's area". Then just click on the bar for in-state or out-of-state dues and provide the information requested. Anyone may make a donation to the club in the "member's area" also.

AWARDS BANQUET VENUE MOVES TO SAM MILLER'S CAFE

Keep Saturday evening, January 22, 2011 marked off on your calendar for the Annual Virginia Anglers Club Awards Banquet. Award winners for the 2010 Angling Year will be recognized at this function. Banquet Chairman Eddy Johnston's spend continual time seeking proposals for hosting our Annual Banquet from multiple sources. His recommendation to accept the proposal from Sam Miller's for the Annual Banquet was accepted by the Directors present at the October BOD meeting. More details about the banquet appear in the following pages of The Angler.

A REMINDER - 2010 ANGLING YEAR CLOSURES ON TUESDAY, NOVEMBER 30, 2010

This is a reminder for VAC Members that the 2010 Angling Year closes on the last day of November, 2010. If you are stalking that special fish for credit in the 2010 Angling Year, it must be caught before midnight on the 30th of November and submitted on an card which must be received no later than 21 days after the catch is made. Entry Cards for catches made on December 1, 2010 thru November 30, 2011 are counted in the 2011 Angling Year.

PLEASE PICK UP NEW MEMBER BOOKS AT THE NOVEMBER MEMBERSHIP MEETING

The following members of the Virginia Anglers Club are asked to pick up their New Member Note Books at the November Membership Meeting. These note books are given to New Members when they join the VAC and are the current version of the former small blue notebooks given to new members back in the day. These current Note Books are for the VAC Members listed below, all of whom have joined the VAC from 2008 thru 2010. Glenn Carter and John Wetlaufer, Sr. will be distributing the VAC Note Books. If you cannot attend that meeting, please make arrangements for some other Member to pick up your notebook and get it to you. Copies will be available for the following VAC Members:

George Atkinson	Matt Balazik	Rob Choi
Greg Cramer	Tim Duffee	Charlie Fasano
Dave Goode	Gary Henning	Steve Knox
John McNeace	Billy Nicar	Travis Papenfuse
Jamie Pitts	Ron Rock	Bob Schepker
Eric Smith	Mike Sweeny	Hunter Wells
Joe Witt		

Thanks to those who have already picked up their copy.

CATCHY COMMENTS

by Buddy Noland

The fishing year is just about over and will be coming to an end on November 30, 2010. According to the VAC rules, the angler will have till December 10th to turn in an entry card and have his entry included in this year's awards and not the usual 21 days. The additional days will allow the "awards" committee more time to organize the "entries" and have the "engraving" completed before the 2010 year banquet on January 23, 2011.

Several anglers have been fishing the waters off Harkers Island and Morehead City, NC areas during the past month. **Rob Brown** was using a Diamond Jig to land a 5-0 pound Little Tunny on 6# spin worth 125 points. **Fred Cousins** will take the "species highest point" lead with his 9 pound, 4 ounce, Little Tunny caught on 4# general worth 231 points. **Stuart Lee** caught the "heaviest" fish on 12# fly. This Little Tunny weighed 10 pounds, 8 ounces, and is worth 210 points. **Stuart's** fish is also a Club Record for 12# fly.

Bob Brown has been doing some freshwater fishing this month. **Bob** entered a 5 pound, 10 ounce, Largemouth Bass on 4# plug worth 253 points from Taylor's Pond. The bass will now lead the "heaviest" category. The next day, **Bob** was fishing the James River for Crappie using minnows for bait. **He** entered a 1 pound, 5 ounce, fish on 2# general for 168 points.

Fred Cousins continues to make a charge for the awards this year. Fishing the 102 degree tower off Oregon Inlet, **Fred** caught a 20 pound Amberjack on 8# general worth 181 points. **He** was fishing the Lee Hall Reservoir the next week and landed a 2 pound, 1 ounce, Chain Pickerel on 2# spin. This entry will take both the "highest" and "heaviest" leads.

The new "points" leader for Smallmouth Bass is **Parks Rountrey** with a 3 pound fish on 2# spin using a Yamamoto worm for bait. The next week, fishing a private pond, **Parks** had several more freshwater entries. **He** caught a 13 ounce Crappie on 2# plug worth 128 points and a Sunfish weighing 8 ounces on 2# fly for 166 points.

Lynn Spurlin had a very successful fly fishing trip to Oak Orchard, New York the end of October. **Lynn** caught a 9 pound Brown Trout on 12# tippet for 244 points which is in the running for the "freshwater non-local" award. **He** also caught two Club Record Salmon. The Atlantic Salmon weighed 12 pounds and was on 16# tippet, while the Chinook Salmon weighed a whopping 29 pounds on 20 pound fly tippet. **Lynn's** fly of choice for all three species was an "egg sucking leech".

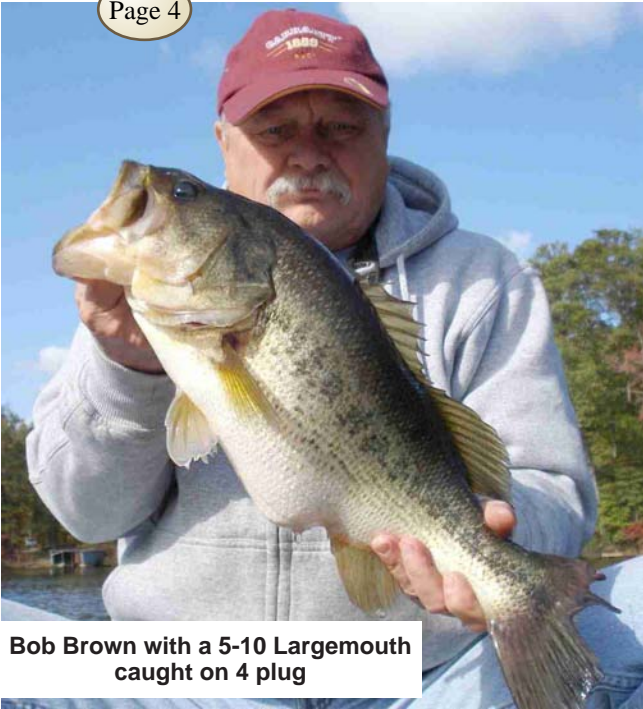

Remember, just several more weeks fishing left in this VAC fishing year and the New Year will begin on December 1, 2010.

Best of luck,

Buddy

Bob Brown with a 16lb Gar

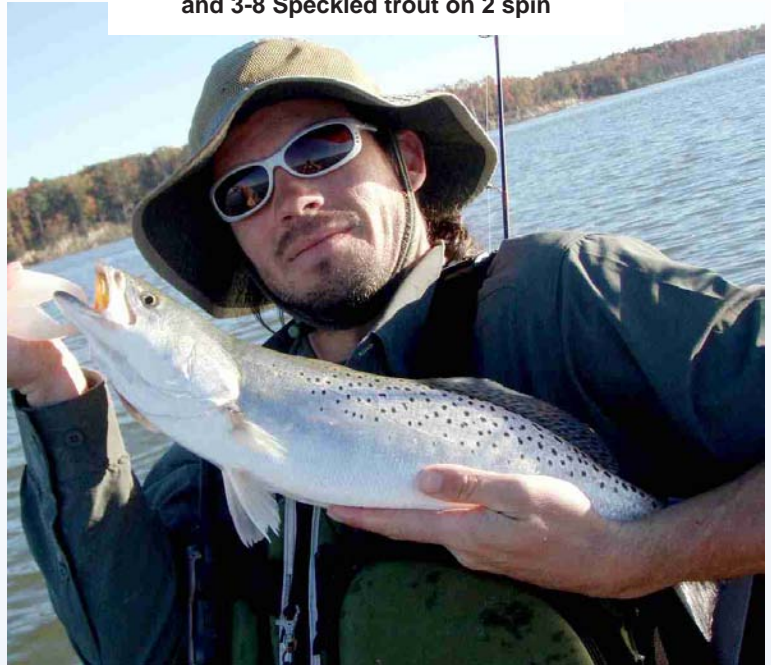

Bob Brown with a 5-10 Largemouth caught on 4 plug

Matt Balazik with a nice catch of Croaker and 3-8 Speckled trout on 2 spin

Johnny Wetlaufer with his tournament Blue Catfish

VAC ANNUAL BANQUET TO BE HELD AT SAM MILLER'S RESTAURANT

On Saturday evening, January 23, 2011, the Virginia Anglers Club will hold its Annual Awards Banquet at Sam Miller's Restaurant in the Historic Shockoe Slip. Sam Miller's opened in 1973 and is one of the many "go to" eateries in the Richmond Area. The cost will be \$30.00 per person and free parking is only 1/2 block away at the parking deck at 12th and Canal Streets (just "down the hill" from the Tobacco Company). Festivities start at 5:30 PM and end about 9 PM. The December issue of *The Angler* will have details about making reservations. Over the past few years, diligent work by Banquet Chairman Eddy Johnston has reduced the per person banquet cost from \$45.00 to \$30.00 for this banquet.

Dinner will be a sit down dinner with table service vs. the buffet format of previous years. Upon arriving at Sam Miller's, Attendees will make their entré'e choice and a cash bar will be available.

The menu for the evening is:

- Salad - Mixed Green with House made
Dijon Dill Vinaigrette

- Entrees - Prime Rib of Beef au jus or
Apricot Glazed Atlantic Salmon or
Marinated Breast of Chicken with
Wild Mushroom Port Reduction

- Desserts - Cheesecake

SPEAKER BRIAN LOCKWOOD AKA "JET SKI BRIAN" BIO

Brian Lockwood has been jet ski fishing for about ten years and has rigged or helped rig several PWCs for fishing. He has taken his jet ski up to 60 miles offshore though most of his trips are in the Chesapeake Bay and Coastal Virginia and North Carolina. Brian has been in several publications and last year was featured on WFN TV Reel Road Trip fishing 35 miles offshore for Mahi and Amberjack. He is also an amateur photographer and some of his pictures have won local acclaim. Brian has a website <http://www.jetskibrian.com> that he posts his reports on. The website also tells a lot about how he has rigged his jet ski for fishing.

Brian is from Poquoson and is a member of the Peninsula Salt Water Fishing Club, Bull Islander Anglers Club, CCA of Virginia, IGFA, TOGA, and Duck Unlimited. Jet Ski Brian will be giving a talk on how to rig a jet ski for fishing and fishing from a PWC.

VAC SURF TEAM PLACES 103/120 IN THE CHAC SURF TOURNAMENT

Fighting three to five foot surf, high winds and miserable weather, the VAC Team caught 1 scoreable fish (a croaker) in the four, 2.5 hour sessions the six-member team fished (60 angler hours of fishing) in the 53rd Annual Cape Hatteras Angler's Club Invitational Surf Fishing Tournament. Of the 120 six-person teams fishing in the tournament, 10 teams had no scoreable fish and 12 teams had only 1 scoreable fish. Teams with identical catch scores are rank ordered by the time the first fish was caught. 2010 was the year in which the lowest total number of qualifying fish was caught and the year in which the lowest total number of points was accumulated for the entire 120 team event. Captain Lynn Spurlin, Gary Martel, Quent and Billy Corbett, Billy Nicar and Steve Bisbing were the members of the VAC Team who endured the lousy conditions on the beach.

JOHN LUCY RETIRES FROM VIMS

Long time friend of the Virginia Anglers Club, John Lucy, retired in June from the Virginia Institute of Marine Science. John was the "window" into VIMS for many years for the VAC and spoke at many VAC meetings. John was the Virginia Sea Grant and VIMS Marine Recreational Specialist. John co-founded the Virginia Game Fish Tagging Program which involves recreational anglers in the collection of scientific data on the species of fish for which these anglers fish. He was involved in the 1972 founding the annual Norfolk Harborfest. John organized 20 work boat parades and races in this series of Harborfests, the 34th of which was held in June, 2010. The City of Norfolk gave John special recognition this year for his contributions to Harborfest. The Virginia Anglers Club wishes John the best in his retirement years.

BOAT RAMP AT CHESAPEAKE YACHT – ACCESS IN QUESTION

The Shipyard Road boat ramp owned by Chesapeake Yacht, Inc. has been a favorite launching site when angling the "hot ditch" area of the Elizabeth River. The ramp was closed to the general public because of owner dissatisfaction with trash being left by ramp users. Conflicting reports about access to the ramp have been received by the Virginia Anglers Club Leadership Team. One report is that Chesapeake Yacht, Inc. must be contacted (Kym Taylor, VP, 757-487-9100) to request a form that, when filled out, gives ramp access to the person submitting the form. Access is reportedly controlled with a window placard for the tow vehicle. The other report says that Chesapeake Yacht Inc. has reopened the ramp for use by the public. Attempts to contact Miss Taylor to determine the current status of ramp access have not been successful by press time. This effort will be continued and the VAC Membership will be informed about access when confirmed. If you are in doubt about access to the ramp and you want to use the ramp, it might be wise to call ahead to Miss Taylor.

COUNTRY STORE CLOSSES AFTER NOVEMBER 23ND

The VAC Country Store will close at the end of the November Membership Meeting and re-open Tuesday, February 22, 2011. Be sure to get what you might need in the interim at the November 23rd Membership Meeting (\$1,00 off all items in stock!). If you have a need for an item(s) carried in the Country Store while it is closed, please contact Eddy Johnston who will make special arrangements to get the item(s) needed to you.

RUDEE INLET BRIDGE REPAIR MAY DISRUPT PASSAGE AT TIMES

The City of Virginia Beach Department of Public Works' Operations Division is undertaking the Rudee Inlet Bridge Fender System Repair Project. The proposed project will remove and replace the damaged and deteriorated fender plies, timber wales and hardware that protect the bridge structure. To perform the work, the channel under the Rudee Inlet Bridge will need to be intermittently closed to boat traffic from November 2010 to March 2011. A Public Information Meeting was held on Monday, November 13, 2010 to discuss the project. Information about the Project is available from Ross Brockwell, PE., Department of Public Works at (757) 385-1470, TTY at 711, or rbrockwe@vbgov.com.

Captain's Corner

By Mike Ostrander

Looking back over the 2010 year, I believe the Virginia Angler's Club is in about the same situation were at the beginning of the year. Calm water, land in sight, and fish swimming all around us. Good times. BUT, the fish swimming around the boat are the same fish that have been swimming around the boat for the last ten years. A couple of new fish, but not many. A few big ones, just out of casting reach, but we need some new blood to join the crew to lead us to the big ones.

What I mean by this is that we have the same wonderful guys leading the club at the Board of Directors meetings. Keeping the club safe and dry by plugging holes in the boat as they happen, and making sure the lines are free of any wear and tear. We have had a few new members come and go, with the exception of one or two, who are taking over the reigns like Matt Balazik, our Conservation guy. It is time to get some new blood onto these leadership meetings. This doesn't mean new members, just new faces, new ideas.

I don't want to down play any of the hard work done by the members over the last year. I applaud every one of you. It's your hard work that keeps this club going, it's your heart and your caring as a man and an angler that keeps this club going. It's your leadership that made my job as president this past year a piece of fresh cut shad on an 8/0 circle hook, with a 105 pound blue catfish inhaling the bait (this is a good thing!)

As president of the VAC I understand it's my job to replace three Board Members and we need to find a new Recording Secretary at the bare minimum. I will have the assistance of the last two VAC presidents' (Vic Skakandy & John Wetlaufer Sr.) to assist in the direction the club is to take. Sure, it's probably an easy fix by getting the same guys to do the same jobs, but it's time to blend old, new and been around for while, and have some new ideas.

I would like to take this time to thank the outgoing Board Members, Stuart Lee, John Wetlaufer Sr., and Bruce Henderson. I'd also like to thank the outgoing committee members and officers who did a wonderful job of organizing and keeping track of all the business aspects of the VAC. Your hard work and dedication to the club shows in the respect you guys have at every meeting. I know, I have the utmost respect for you as men, anglers, and VAC leaders.

With that said, please find some commitment in your tackle box to help out this club. You only get out what you put into many things, and for me the Virginia Angler's Club certainly holds true with that. Thanks, take care and happy fishing.

Rudee inlet bridge repair will be conducted from November 2010 to March 2011. The bridge will be closed to water traffic during certain time periods during repair.

Menhaden

More bad news for menhaden (*Brevoortia tyrannus*) management in Virginia. Apparently there was a miscalculation in natural mortality levels used to determine population abundance. Unfortunately natural mortality was underestimated meaning the stock is worse off than previously estimated.

Fish Eating Advisory

The Virginia Department of Health issued a new fish eating advisory for the state. A map and findings can be found at:

Chile Marine Reserve

In a huge victory for Chile's marine health and their colleagues, Chile's President Sebastián Piñera announced the creation of Sala y Gómez Marine Park, a no-take marine reserve of 150,000 square kilometers around Sala y Gómez Island. This is a huge step in maintaining marine ecosystems.

A great story/talk about how marine sanctuaries help can be found at:
